

## Power bank 15,000 mAh 1x 5 V - 2.1 A + 1x 5 V - 1 A green

### General information

Power bank to connect to two devices, such as smartphones, iPhones, tablets, navigation systems, MP3 players, digital cameras and many other devices, to charge them simultaneously. It is a convenient solution during travels, at the office or at home because it charges a USB device without a PC or USB charger.

In addition, it is equipped with an integrated bracket, which allows for charging a smartphone while its contents can be watched hands-free.

### Features

- Lithium-ion battery
- Protection against overcharging, short circuiting & overheating
- No memory effect
- Intelligent power control
